NANCY F. ERICKSON

Experience

IntraHealth International | Chapel Hill, NC (Remote)

Senior Program Officer, USAID ASAP II Project | August 2022 - Present

- Provides programmatic, operational, contractual, and administrative backstopping and management of 5 Sub-Saharan African country programs and 2 cross-cutting regional programs. Ensures high-quality program delivery and adherence to donor rules and regulations, organizational policies, and work plans' scopes, schedules, and budgets.
- Manages 30+ consultants' recruitment, contracts, invoicing, travel logistics, and deliverables. Serves as primary point of contact for consultants working in the field on all operational and administrative issues.
- Solicits inputs from field teams for donor reporting. Writes and proof-reads monthly USAID reports.
- Tracks assigned program performance against awards, project timelines, budget, objectives, and deliverables. Creates project management tools as needed.
- Supports financial projections and project budget tracking. Manages and monitors consultants' expenses, labor costs, and procurement packages.
- Maintains and updates assigned country and cross-cutting programs' reference and correspondence files and central files.

EnCompass, LLC | Rockville, MD (Remote)

Convenings Manager, USAID GROW Activity | January 2022 - May 2022

- Managed all logistics of in-person, hybrid, and virtual conferences, meetings, retreats, and other learning sessions for USAID's DRG Center and ID Hub. Work included: securing venues and/or virtual platforms; managing invitations, contact lists, and RSVPs; creating and maintaining registration websites; procuring refreshments and supplies; and overseeing and directly providing virtual event production.
- Spearheaded meetings with USAID to collaborate on determining events' objectives and intended outcomes, develop action items, provide updates, and debrief on lessons learned.
- Created project management tools to track implementation schedules.
- Composed after-action reviews and reports on analytics for engagement and audience growth. Contributed to quarterly donor reports. Monitored progress on key deliverables and activities outlined in workplan.

Project Coordinator | December 2020 - December 2021 (Remote)

- Managed project finances and administration for USAID and other donor-funded contracts. Work included: supporting annual budget development; contributing to workplan development and review process; creating and maintaining financial and LOE tracking systems; creating and developing project management tools in SharePoint; writing and modifying vendor contracts; processing invoices and reconciling purchases; and writing and copy-editing donor reports.

Catalogue for Philanthropy | Washington, DC

Communications Coordinator | July 2019 - December 2020

Nonprofit Programs Fellow | October 2018 - June 2019

- Provided administrative and programmatic support. Work included: workshop logistics; donor database management; workplan progress monitoring; creating and maintaining knowledge management systems; writing reports and press releases; and educational and marketing content creation.

Health Development Initiative | Kigali, Rwanda

Technical Adviser / Peace Corps Volunteer | January - December 2017

- Created financial, technical, and marketing materials for internal and public dissemination. Examples included grant proposals and budgets, annual reports, budget reports, quarterly newsletters, program analyses, donor briefs, and a 10-week comprehensive sexuality curriculum.

Peace Corps | Gisagara District, Rwanda

Community Development Volunteer | December 2014 - December 2016
